

Soldering/Desoldering Kit - 6pc

This kit provides the basic tools you will need for your soldering projects. The professional grade soldering iron produces 40 watts (up to 900 degrees F) for joining 12 AWG wire or smaller. It's ideal for use on electrical/electronic components, audio equipment, RC hobbies and more. The kit also includes a stand, desoldering pump, replaceable fine tip and solder in a handy storage tube.

Features

- 40 Watt Soldering Iron heats up to 900° F
- Ideal for use on electrical/electronic components, audio equipment, etc.
- Includes desoldering pump for removing liquid solder
- Provides basic tools needed for many soldering projects
- 6 Pc kit comes complete with replaceable fine tip

SOLDERING/DESOLDERING KIT - 6PC	
POWER	40 W
